

Emergency Measures Questionnaire

The RM of Roland is collecting basic household information as a vital step in our community's emergency preparedness plan. Our goal is to ensure the safety and well-being of all residents in the event of an unforeseen situation, whether it's a severe weather event like a blizzard or flood, a major power outage, or any other emergency.

This information helps us respond quickly and effectively in any emergency situation.

1. Household Occupants

Name	Age	Require Assistance (✓)

Assistance Requirements

Please check any that apply to all occupants in your household:

- Mobility assistance (e.g., wheelchair, walker)
- Communication barriers (e.g., hearing or visual impairment)
- Childcare for infants/young children
- Medical conditions requiring special attention/equipment (e.g., oxygen, dialysis)
- Cognitive/Developmental assistance
- Language barriers (please specify)

Other specific assistance requirements or important notes:

2. Phone Number(s)

3. Household pets

No. of dogs _____ No. of cats _____ Other _____

4. Do you have livestock that needs to be looked after in the event of an emergency?

5. Resources available for RM use during an emergency. Please ✓ all that apply.
