

EMPLOYMENT OPPORTUNITY

The RM of Roland is seeking a motivated and reliable individual to join our Public Works Department as a Public Works Operator.

Responsibilities:

- Operate and maintain a variety of heavy equipment, including tractors, loaders, and other specialized machinery.
- Perform road maintenance tasks, including snow removal, pothole repair, and gravel road maintenance.
- Assist in the maintenance and repair of rural municipal infrastructure, such as drainage systems, culverts, and ditches.
- Conduct routine equipment inspections and perform preventative maintenance.
- Assist with the maintenance and repairs of sewer and water lines.
- Ensure compliance with all safety regulations and procedures.
- Assist with general labour tasks as assigned.
- Other duties as assigned

Qualifications:

- Valid Manitoba Driver's License (Class 3 preferred).
- Experience operating heavy equipment, such as motor graders, tractors, and loaders would be a great asset. Applicant must be willing to be trained on equipment if no prior experience.
- Ability to perform physical labour in various weather conditions.
- Strong problem-solving skills.
- Ability to work independently and as part of a team.
- Knowledge of safety regulations and procedures.
- High school diploma or equivalent.

Job Specifications:

- Full-time position.
- Competitive salary and benefits package.
- Opportunity for professional development and advancement.
- May be required to work evenings and weekends.
- Must be able to follow verbal and written directions.
- Be able to work under the direction of the Public Works Foreman.

This position falls within the Collective Bargaining Unit of Local 987 and is subject to all terms and conditions of the collective agreement or subsequent amending Agreements.

To Apply:

Please submit your resume and cover letter to:
